

All units on this page feature **offset angle posts** 7'1" (85") high or 8'1" (97") high on all four corners with **22 ga.** shelves. One-piece shelf clips provide quick shelf adjustments on 1½" centers. Capacities for shelves are shown on page 4.

Welded Box Shelf

**Offset Angle Post**

Widely used in single or multiple or stand-alone configurations. Ideal where continuous rows are not practical, or where frequent re-location is necessary.

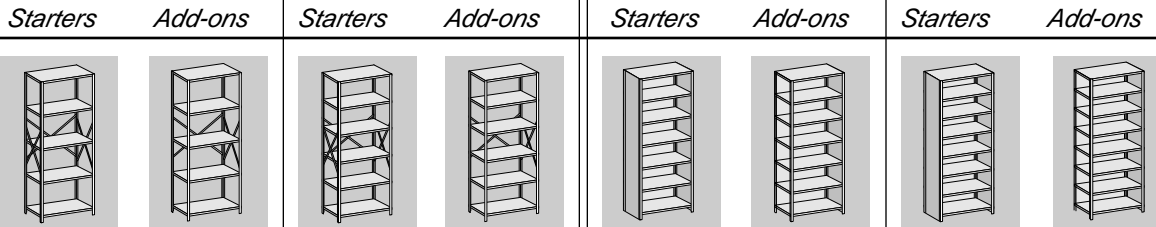

Offset Angle Post

All parts and hardware needed for assembly are included, along with instructions.

**Open Shelving Sections**

**Closed Shelving Sections**
