

## Rugged. Heavy Duty. Versatile. Economical.

Durand work benches are built for the toughest industrial applications; therefore, are equally suitable for specialized tasks such as inspection, assembly, sorting, shipping & receiving, etc. Our extensive selection of accessories,

some of which are exclusive to us, allows the user maximum flexibility to customize the workplace to meet his or her exact requirements.

Durand offers a choice of our original adjustable straight leg and a

new flared leg. The straight leg and steel top are formed from 13 ga. prime steel. The flared leg is 14 ga. Both legs are TIG welded to assure superior long term performance.
